The HADC's Housing Choice Voucher Program, commonly known as Section 8, is a federal program that provides rental assistance to eligible low-income households through tenant-based and project-based vouchers.

Is the Housing Choice Voucher Program Waiting List open?

HADC Housing Choice Voucher Tenant-Based Waiting List is CLOSED to new applicants.

HADC Project-Based Voucher Waiting List for both The View and Reserve at Mills Creek "Elderly" (62+) Communities opened for ONLINE pre-applications on Friday, June 17, 2021. What is a Project-Based Voucher (PBV)?

Project-Based Vouchers provide rental assistance that is tied to a specific unit in a property contracted with the Housing Authority. The Housing Authority pays a portion of contracted rent in the form of a housing assistance payment to the owner on behalf of the Participant. The Participant pays the remaining rent, an amount that is roughly equivalent to 30% of their monthly income, and utility expenses.

What is the difference between the Tenant-Based and Project-Based Voucher waiting lists?

Tenant-Based Vouchers provide rental assistance for families in the private rental market. The voucher is provided to applicants and they can choose any housing that meets the requirements of the program. Applicants selected for the Tenant-Based Waiting List may only receive a Tenant-Based Voucher.

Project-Based Vouchers provide rental assistance that is tied to a specific unit in a property contracted with the Housing Authority.

Applicants who were selected for both the Tenant-Based and Project-Based Waiting Lists will only be removed from a list for which they have been selected. Applicants cannot transfer to the Tenant-Based Waiting List from the Project-Based Waiting List or vice-versa.
